

MORSTEIN Riesling trocken

2013

Weingut Dreissigacker

Tasting note:

Citrus colored, the 2013 Morstein Riesling trocken is smoky, mineral and deep on the nose revealing ripe and concentrated Riesling berry aromas dotted with limes and notes of the spontaneous fermentation. Full-bodied, rich and pure, the flavors are complex and elegant on the palate and lead this well balanced wine to develop a salty, piquant and aromatic finish with citrus flavors in the long aftertaste. This is an expressive, terroir-driven Morstein from one of Germany's most popular non-VDP estate.
