EVENTS

DUIJN Pinot Noirs bottled

Jacob Duijn bottled his vintage 2004 last month. No doubt that we are going to release a great vintage. Recent tastings at ProWein and directly at the estate just last week proofed that the wines another time belong to the greatest Pinots Noirs Germany has to offer.

Mainzer Weinbörse – Mainz, 23. – 24.04.2006

During this show exclusively members estates of the VDP are showing their latest vintage and the show is becoming increasingly important in particular for distributors focused on the top end of German wines. It provides the opportunity to taste the best wines available in a relaxed atmosphere.

MISCELLANEOUS

In cooperation with our producers and our local partners we were able to be part of some great wine events within the last three months. Martin Steinmann from Schloss Sommerhausen has shown his wines for two nights in the Netherlands for the regional group of Sommeliers, Restaurant Manager and Chefs.

Dr. Rowald Hepp from Schloss Vollrads hosted an evening in the restaurant Napa one of the best restaurants at the unbelievable Jumeirah Madinat Resort in Dubai. We would like express our thank and appreciation to all our partners who organise these kind of events with us.
