MISCELLANEOUS

Individual query by the wine estate Tesch:

For their new marketing campaign 2008 Mr. Martin Tesch is requesting pictures from individuals around the world tasting and enjoying Tesch Riesling. We would like to ask all friends to send us snapshots from various occasions where Tesch Riesling was or will be served. Dinners, presentation in restaurants, trade shows etc. 4 -5 pictures only would be enough as we would like to show the diversity of people and cultures where our wines are consumed. So please keep your camera within reach.
