

2-2009

Dear Friends and Clients,

With this newsletter we would like to feature some wines in particular focusing the upcoming summer season. Please use the attached form to order your tasting samples or email us at [info@wineconsale.com](mailto:info@wineconsale.com).

This German Grauburgunder is an excellent summer drink and a perfect alternative to Italian Pinot Grigio. It is produced by the wine estate Ludi Neiss in Kindenheim Pfalz.

With a pale straw yellow color, a clear cut fruity aroma great balance and pure elegance on the palate this drink offers an outstanding price quality ratio. Closed with a modern long cap stelvin closure it is easy and uncomplicated to handle. Served chilled on its own this is the ideal sipper.

List price: € 3,20 / 750ml

*It is also possible to label this wine as Pinot Grigio.*

---

**TROLLESCO** is a new thrilling drink made from the grape variety Trollinger. This wine is a lively drink with a red color wild and different to what you have tasted before. With its pronounced aroma reminiscent to wild strawberries or red currant and its exotic mix of flavors' on the tongue it represents an inspiring summer drink. Served well chilled to accompany fish as well as roasts or as long drink on ice this wine fits perfect to every barbeque.

List price: € 2,90 / 750ml

---

**RIESLIANO** is the white brother of TROLLESCO. Produced from 100% Riesling grapes this drink offers the ultimate enjoyment for the summer season. The wine is marked by pronounced aromas of citrus as well as green and yellow fruits in the nose and it's almost coltish fruit acidity pairing on the palate. Serve it well chilled by the glass to accompany fish or light summer cuisine or on ice as long drink.

List price: € 2,90 / 750ml
