Weingut Pauly *NEW* producer in our portfolio ...

Wineconsale is happy to start a new cooperation. With immediate effect we take full responsibility for all export activities of the estate Axel Pauly located in Lieser, Mosel Valley. Axel Pauly is a young winemaker which studied in Geisenheim and gained working experience in several wine regions around the world. Axel took over the responsibility for a traditional family wine estate which produced wines for centuries. Being young, dynamic and open-minded Axel, with his focus on, dry wines fit perfectly to our “Next Generation” portfolio including personalities like Martin Tesch, Jochen Dreissigacker & Axel Neiss.

Axel and Rudolf Pauly accelerate!
