MARKUS SCHNEIDER receives Design Award

Markus Schneider and his *Vet Rooi Olifant* from Stellenbosch Sout Africa received the reknowned iF Design Award for Communication Design. Schneider was one of 75 winners out of 4300 entries and received the award on Friday 26th of February at the BMW World in Munich. Please check [here](#).

The **VANCOUVER MAGAZINE EATING & DRINKING** Guide recommends Tesch **Riesling UNPLUGGED** and describes the wine as: "A bone dry riesling under screw cap, unamplified and unplugged, with none of the usual hard-to-decipher German labeling." For the whole and tasting note & review click [here](#).

At the **INTERNATIONAL WINE CHALLENGE "InterVin"** in Toronto, Canada, **BECHTHEIMER Riesling** from Dreissigacker received a great Silver medal. Quite a success for a Dry German Riesling. Our wine was the only German Riesling that received a medal in the category of Dry Riesling. Please check [here](#).

THE WINE GUY in London reviews **BLACK-PRINT** and **hullabaloo** from **Schneider**. Not only a very competent review, but also very entertaining. click [here](#).

Susanne Berglund Krantz (punkvin.se) is tasting **Pauly** wines with Ingela Svanström the president of the Swedish Sommelier Association straight from the bottle. A “must have seen”! click [here](#).

Thai [ihere.tv](#) reviews Dreissigacker Riesling. I believe they love it. Click [here](#).
